Seesaw

PARENT WORKSHOP

12:00 - 12:45PM

THURSDAY 09TH NOVEMBER, 2017

LOCATION: COMPUTING ROOM 1

In this session, you will learn all about our new parent communication tool 'Seesaw'. Seesaw allows your child's teacher to share what is happening in class directly to your phone, tablet or computer. During the session, you will also be shown how to download and access the app so you can connect with your class straight away.
