

# How To Use Accelerated Reader And Take A Quiz

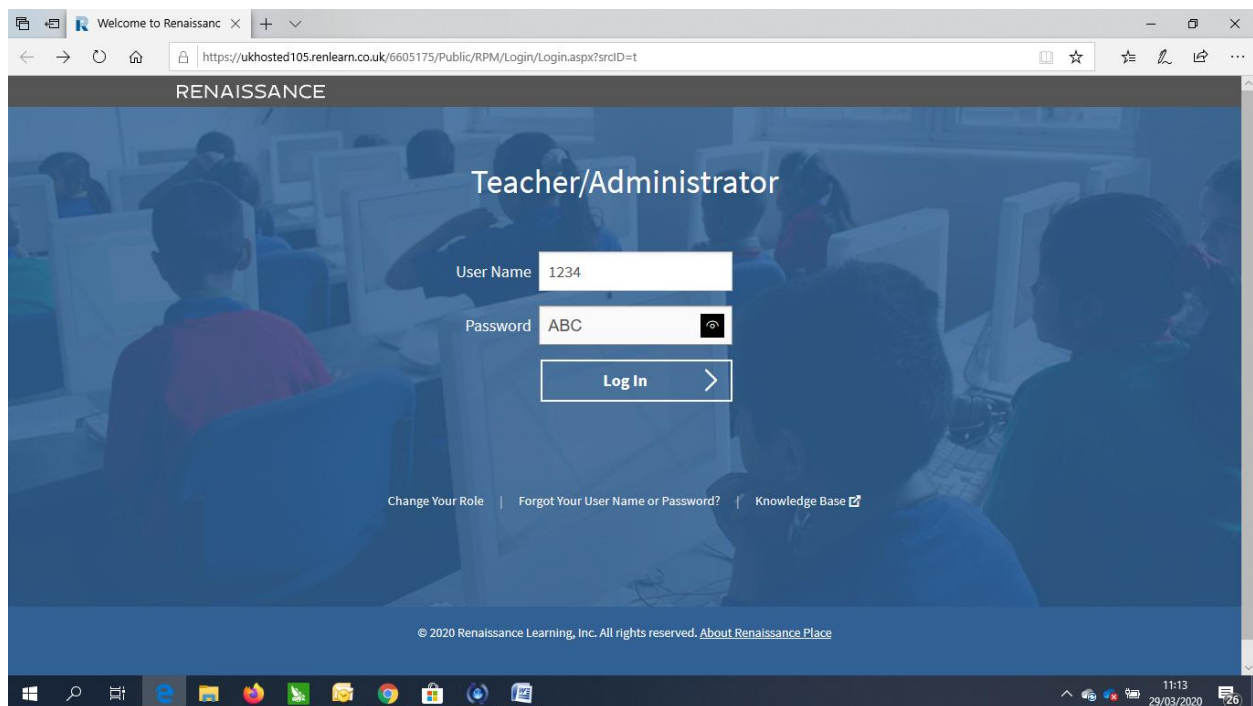

## Note to Parents

If your son has finished his library book , he can take a quiz and continue to earn points. Most students will know how to do this from their library lessons but will need to follow the instructions below to access the site.

## Students

**Password: ABC**

To take the quiz, choose the middle square that says Accelerated Reader

You can search for your book by entering either the book title, author, book number or ISBN (this is the number with the barcode on the back of the book)

Take the quiz.

To check whether a book you already own has a quiz or to look for new books to buy that have quizzes, check the book finder website by using the following link:

<https://www.arbookfind.co.uk/UserType.aspx?RedirectURL=%2fdefault.aspx>

From here you can check for all books that have quizzes, and also see how many points are awarded if you pass the quiz.

Any questions or issues accessing the quizzes, please email Ms Gilzean at **vgi@rsb.sch.ae**
