Primary Student ICT Acceptable Use Agreement

The safe use of ICT is a responsibility for everyone at Rashid School for Boys, and I can help by making sure I will use the computers and iPads in a sensible way. I will follow these rules so that everyone including myself, other students and my teachers are all safe:

- I will take care of the computers, iPads and other equipment.
- I will ask for help if I am not sure of what to do, or if I think I have done something wrong.
- I will not copy someone else's work.
- I will not share my personal information and will always be aware of 'Stranger Danger'.
- I will tell a teacher if I see something that upsets me on the computers or iPads.
- I will behave responsibly when using the computers or iPads.
- I will uphold the RSB school values when using the internet – whether I'm at school or at home.
- I will be respectful to everyone online; I will treat everyone the way that I want to be treated.
- I will not view or download any material that could be offensive or illegal and I will tell my teacher immediately if I accidentally come across it.
- I understand the computers or iPads are for educational-use only and not for playing non-educational games or watching videos on YouTube without permission.
- I will not try to bypass security on the Computers or iPads - it is in place for our safety.
- I understand that my computer, iPad and the internet can be monitored.
- I understand that these rules are designed to keep myself and others safe.
- I know that if I break the rules, my access may be restricted or I may not be allowed to use the computers or iPads.
